- **Student Feedback on Institutional Governance / faculty performance. –**

Student feedback on organization, assessment, and delivery of course contents, counseling and guidance, **twice a year** to rate course teacher individually and relatively with other course teachers of that class thereby providing an opportunity for teachers to address their strength/s and weakness.

- I. Student feedback reports are being scrutinized by Principal who assesses the Quality of teaching by the faculty on a regular basis.

- **Best Practices by Institute:**

- 1. Goal**

The goal of this practice is to appreciate the work done by the teaching staff, non-teaching staff and

Students of the institute and motivate them to excel in their areas of expertise. This practice would ensure continuous improvement in their performance as per the quality policy to achieve the Vision and Mission of the institute.

- 2. The Context**

The institute believes that a motivated workforce (Staff and Students) can be a significant factor in institute's success. When staff and students are motivated to work at higher levels of their skills and abilities, the institute as a whole runs more efficiently and is more effective at achieving its objectives and goals. For this reason, the institute has understood the power of reward systems and how they are helpful in influencing Students and Staff behavior.

Rewards are positive outcomes that are earned as a result of staff's and students' performance and achievement. These rewards are aligned with institute's objectives and goals. When any staff or student helps the institute in the achievement of one of its objectives and goals, a reward often follows.

- 3. The Practice**

The institute has constituted the following rewards for its staff and students. The mode of reward is in terms of appreciation certificates and mementos.

- I. Best Teacher
- II. Best Class
- III. 100% MSBTE Result
- IV. Best Outgoing Student
- V. Topper of the Class

• The salient Best practices pursued by the institute are as follows

I. Cross Functional Learning

In learning process, every student is put through a judicious blend of concepts and practices associated with high tech infrastructure facilities in a dynamic environment. The students are taught through a transformative development experience, intellectual growth, with a deep practical knowledge with sound judgment. The institute pursues innovative Pedagogy:- Info Talk / Induction Program / Confabulation Talk / Class Room Teaching /Extension Lecture / Guest Lecture / Assignments / presentation / GDs/

II. Case Analysis / Applied Problems Solving

To develop the conceptual skills, to identify & formulate and solve problems innovatively, students undertake Case Studies and Simulation Exercises. Cases are generously used in illustrating the contextual setting and information adequacy which characterizes situations in fields of MIS, SAD, SE and developing computer application skills. Case analysis develops decision making skills under simulated conditions and highlights the fact that the real situations are more complex than what the students learn in theory class viz. Debate / Aptitude & Tech. Skill Dev. / Soft Skills Development / Value Aided Courses / Concept Classes / Workshops / Industrial Talk.

III. Tutorials

In tutorial classes, students undertake group discussion, problems faced in lectures room, quiz, class test, work exercise, in supervision of a faculty. These measures improve the knowledge in the subject and appropriate planning of any work for achieving the objective.

IV. Student Mentoring

The Institute offers students services like counseling placement training support, personality grooming and Plant Visit / Corporate Lectures / Industrial Training / Seminar / Project Report / Continuous Evaluation/ Pre- placement Talk / for final Placement. The institute every year conducts 01 National level paper and project presentation competition. Further, student Information Bulletin familiarizes for various activities like rules & regulations of the institute, academic calendar, and sports. Institute is committed to students and corporate partners and use technology in education as passion.

• Grievance Redressal mechanism for Faculty, staff and students

- **Employee Grievance Redressal Policy**

Scope and Applicability: A grievance is a concern, problem or complaint which may be related to work, working environment, reporting relationships, etc. This policy shall cover all regular and non-regular employees of the institute who are one step below the Board Level and one who reporting directly to Executive Chairman of the Sanstha.

Objective:-

The institute is committed to provide a productive and conducive work environment where grievances are dealt with fairly and promptly. The objective of this policy is to facilitate a work culture where no grievances exist and also help in improving performance and productivity of the concerned employees of the institute.

The System:-

The Principal of the institute will work as Chairman for this committee who will hear out the grievances of individuals and counsel them. The Employee Grievance Redressal Committee will be responsible for addressing all the grievances submitted to the Chairman of the committee. If the concerned employee is not satisfied by the decision of the Committee, the committee will refer cases to the Executive Chairman of Sanstha and the Executive Chairman of Sanstha shall address the grievance in such cases.

Procedure:-

Level- 1.

At the first instance the affected employees should submit the grievance (in writing) stating his name, designation, employee number and grievance to his / her Head of Department (HOD). The HOD should acknowledge the receipt of the grievance, if possible immediately. The HOD should redress the grievance within a period of five working days. In case it is a Policy level matter the grievance should be referred to Principal,(Chairman of Employee Grievance Redressal Committee) who will redress the grievance.

Level- 2

If the concerned employee is not satisfied with the above response from his/her HOD he/she can submit the grievance along with the reply to the Chairman of Employee Grievance Redressal Committee. The Chairman of Committee would hear out the grievances of individuals and counsel them in a meeting called with the members of the Employee Grievance Redressal Committee. Acknowledgement of the receipt of the grievance will be issued to the concerned employee. The Chairman of Committee should redress the grievance within a period of seven working days.

Signature of Authorized Signatory with Date

Level- 3

If the grievance still persists, a formal grievance would be lodged and forwarded to the Executive Chairman of Sanstha. Based on a careful analysis of the grievance in the light of feedback and views of the members of the committee, the Employee Grievance Redressal Committee would make its recommendation within a period of seven working days and send it to the Chairman of Sanstha for consideration and appropriate action, if any. The decision of the Chairman of the Sanstha shall be final and binding on the concerned employee. The process should be completed within and not more than one month.

Guidelines and Conditions:

1 The employee shall submit his grievance immediately and in any case within a period of one month from the date of occurrence.

2 Grievance pertaining to or arising out of the following shall not come under the purview of the grievance procedure:-

(i) Matters related to collective disputes/bargaining such as salary, allowances, hour of work and other benefits and also cases related to disciplinary procedures.

(ii) Annual performance appraisal /confidential report.

(iii) Where the grievance does not relate to individual employee.

(iv) Any grievance arising out of removal or dismissal of an employee.

(v) Any matter pertaining to the period before the date of joining the institute

(vi) Any matter relating to terms and conditions of appointment settled prior to joining or appointment.

- **Internal Complaint Committee (ICC)**
(As per Section 4 All India Council for Technical Education (Gender Sensitization, Prevention and Prohibition of Sexual Harassment of Women Employees and Students and Redressal of Grievances in Technical Institutions) Regulations, 2016)

Introduction about ICC

Internal Complaints Committee (ICC) is a mandatory committee that every employer is required to constitute within his organization for Prevention and Prohibition of Sexual Harassment of Women Employees and Students

Members of the Internal Complaint Committee:-

- Chairperson/ Presiding Officer – Shall be women employed at the senior level at the workplace amongst the employees.
- Two Members – Shall be amongst the employees preferably committed to the cause of women/ experience in social work/ have legal knowledge.
- External Member – External members could be, doctors, Advocate or Among NGOs working against the cause of women.

- **Responsibilities of ICC**

Every company should have a safe and harassment-free workplace. In the case of the complaint against POSH, the ICC is solely responsible to investigate without being bias. The ICC is required to be vigilant to redress the sexual harassment complaints and resolves the same ASAP. ICC is the sole authority to inquire about the complaints and make efforts to redress the same.

Scope of ICC

The ICC is an important part of the complaint redressal process. The ICC focuses on the below agenda:

- Methodology for conducting an inquiry on a sexual harassment complaint
- Important guidelines which ICC is required to comply with while conducting the sexual harassment inquiry
- The timelines for resolving complaints as defined under the Act which ICC needs to follow while investigating a complaint.

What is Internal Complaints Committee (ICC)?

As per the POSH Act, an employer has 10 workers or more is required to set up an Internal Complaints Committee for the redressal of 'sexual harassment complaints at such entity and to regulate and administer complaints on sexual harassment. An Internal Complaints Committee is required to be constituted which shall submit an annual report to its employer and District Officer.

Every company needs to have in place an effective ICC, else the organization can be penalized for non-constitution of IC.

Initially when the Sexual Harassment of Women at Work Place (Prevention, Prohibition and Redressal) Act, 2013 was passed Internal Committee was called ICC (Internal Complaints Committee) but on 9th May 2016, the amendment was made and ICC was substituted by Internal Committee (IC) wherever it existed. This was done to expand the role of the sexual harassment Committees so that they are not restricted to complaint resolution only.

Accounted Audited Statement for the last three years

2015-16

Dr. Bapuji Salunkhe Institute of Engineering & Technology, Kolhapur .

Tal:- Karveer, Dist:- Kolhapur

Notes forming part of financial statements as on and for the year ended March 31, 2016

Statement on significant accounting policies –

Basis of preparation –

This is the first year of operations. The financial statements have been prepared to comply in all material respects with the Accounting Standards prevalent in India. The financial statements have been prepared under the historical cost convention.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Fixed Assets

Fixed Assets are stated at opening WDV less depreciation. Cost includes all expenditure necessary to bring the asset to its working condition for its intended use. The rates of depreciation fixed by the SSS are applied on Written Down Value.

Depreciation is provided using the WDV method at the following rates –

Furniture	10.00%
Computer	60.00%
Physical Deadstock	15.00%
Library Books	60.00%
Other Deadstock	15.00%
Electronic Deadstock	15.00%
Educational Equipments	15.00%
Chemistry Deadstock	15.00%
Mechanical Science Equipments	15.00%
Workshop Deadstock	15.00%
Machine Shop Deadstock	15.00%
Automobile Engg. Deadstock	15.00%
Civil Engg. Deadstock	15.00%

On addition to asset depreciation for the full year is charged.

The above rates have been prescribed by Fee Regulating Authority for financial year 2015-16.

Revenue recognition

Fees from students are recognized on receipt basis. Outstanding fees are not shown in financial statements. Bank interest is recognized on accrual basis.

Independent Auditors' Report

Report on the Financial Statements

1. We have audited the accompanying financial statements of **Dr.Bapuji Salunkhe Institute of Engineering and Technology, Kolhapur.** ("the College") belonging to Shri Swami Vivekanand Shikshan Sanstha, Kolhapur which comprise the Balance Sheet as at **March 31, 2016**, and also the Income and Expenditure Account for the year then ended, and a summary of the significant accounting policies.

Management's Responsibility for the Financial Statements

2. The College's management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the College in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that are free from material misstatement, whether due to fraud or error. And are in conformity with the accounting principles generally accepted in India and the applicable legal and regulatory framework.

Auditors' Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
4. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
5. We believe that, proper books of accounts are kept by the College.
6. In our opinion and as per information and explanation received by us in this regard, AS-17 – "Segment Reporting" is not applicable to the College.

Basis for qualified opinion

7. The detailed and/or student wise lists of the liabilities shown under the following heads were not furnished to us for verification. These liabilities might consist of old balances refundable to concerned government authorities:

• Scholarship	Rs. 15,39,376
• Other accounts	Rs. 22,47,023

8. The detailed and/or student wise lists of the assets shown under the following heads were not furnished to us for verification

- Other accounts Rs. 5,33,763

9. We draw attention to the note under fixed assets schedule forming part of the financial statements that the college has changed the method of charging depreciation from existing Straight Line Method (SLM) to Written Down Value (WDV) method. However the retrospective effect of the same has not been considered.

Other matters

10. We have noticed major weaknesses in the internal controls over recording and administration of fees received from students.

11. The college has not followed accrual system of accounting for recording fees from students.

Opinion

12. In our opinion and to the best of our information and according to the explanations given to us, **except for the possible effect of the matters described in the Basis for Qualified Opinion paragraphs and other matters paragraphs**, the aforesaid financial statements give a true and fair view –

- In case of the Balance Sheet as on March 31, 2016, of the state of affairs of the College; and
- In case of the Income and Expenditure account for the year ended on that date, of the surplus of the College.

Notes forming part of financial statements as on and for the year ended March 31, 2017

Statement on significant accounting policies –

Basis of preparation –

This is the first year of operations. The financial statements have been prepared to comply in all material respects with the Accounting Standards prevalent in India. The financial statements have been prepared under the historical cost convention.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Fixed Assets

Fixed Assets are stated at opening WDV less depreciation. Cost includes all expenditure necessary to bring the asset to its working condition for its intended use. The rates of depreciation fixed by the SSS are applied on Written Down Value.

Depreciation is provided using the WDV method at the following rates –

Furniture	15.00%
Computer	25.00%
Physical Deadstock	15.00%
Library Books	25.00%
Other Deadstock	15.00%
Electronic Deadstock	15.00%
Educational Equipments	15.00%
Chemistry Deadstock	15.00%
Mechanical Science Equipments	15.00%
Workshop Deadstock	15.00%
Machine Shop Deadstock	15.00%
Automobile Engg. Deadstock	15.00%
Civil Engg. Deadstock	15.00%

On addition to asset depreciation for the full year is charged.

The above rates have been prescribed by Fee Regulating Authority for financial year 2016-17.

Revenue recognition

Fees from students are recognized on receipt basis. Outstanding fees are not shown in financial statements. Bank interest is recognized on accrual basis.

Notes forming part of financial statements as on and for the year ended March 31, 2018

Statement on significant accounting policies –

Basis of preparation –

This is the first year of operations. The financial statements have been prepared to comply in all material respects with the Accounting Standards prevalent in India. The financial statements have been prepared under the historical cost convention.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Fixed Assets

Fixed Assets are stated at opening WDV less depreciation. Cost includes all expenditure necessary to bring the asset to its working condition for its intended use. The rates of depreciation fixed by the SSS are applied on Written Down Value.

Depreciation is provided using the WDV method at the following rates –

Furniture	15.00%
Computer	25.00%
Physical Deadstock	15.00%
Library Books	25.00%
Other Deadstock	15.00%
Electronic Deadstock	15.00%
Educational Equipments	15.00%
Chemistry Deadstock	15.00%
Mechanical Science Equipments	15.00%
Workshop Deadstock	15.00%
Machine Shop Deadstock	15.00%
Automobile Engg. Deadstock	15.00%
Civil Engg. Deadstock	15.00%
Electrical Deadstock	15.00%
Vehicle Deadstock	15.00%
Tally - Software	25.00%

On addition to asset depreciation for the full year is charged. The above rates have been prescribed by Fee Regulating Authority for financial year 2016-17.

Revenue recognition

Fees from students are recognized on receipt basis. Outstanding fees are not shown in financial statements.
Bank interest is recognized on accrual basis.
